

Getting started with SWTCH using the mobile app:

- Download the App from the Google Play or Apple App Store

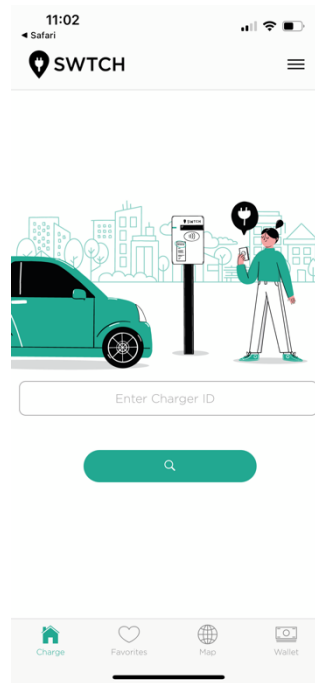

- Sign up by pressing “Get Started”

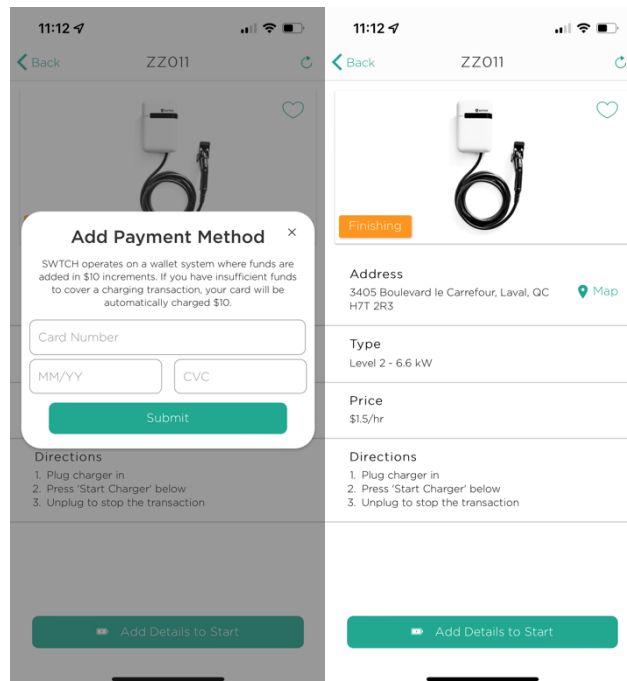

- Verify email
- Sign in again

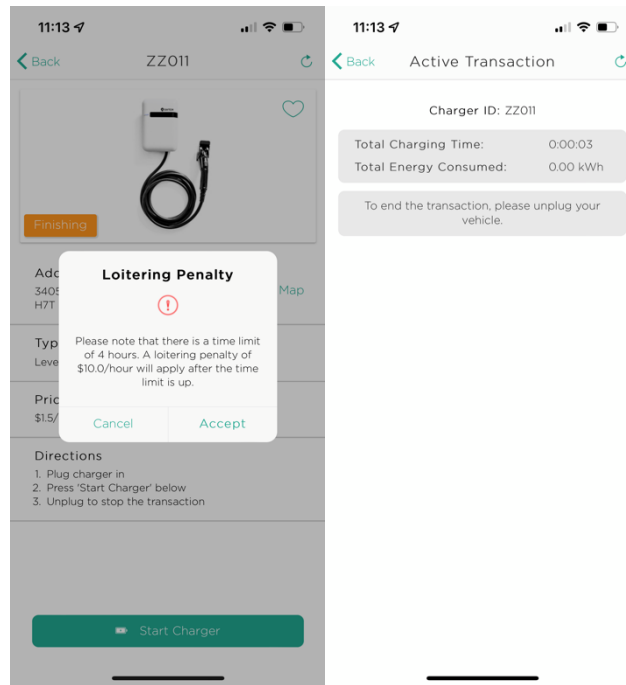

- Search for the appropriate listing ID (PP05/PP06 at 888 Beach Ave)

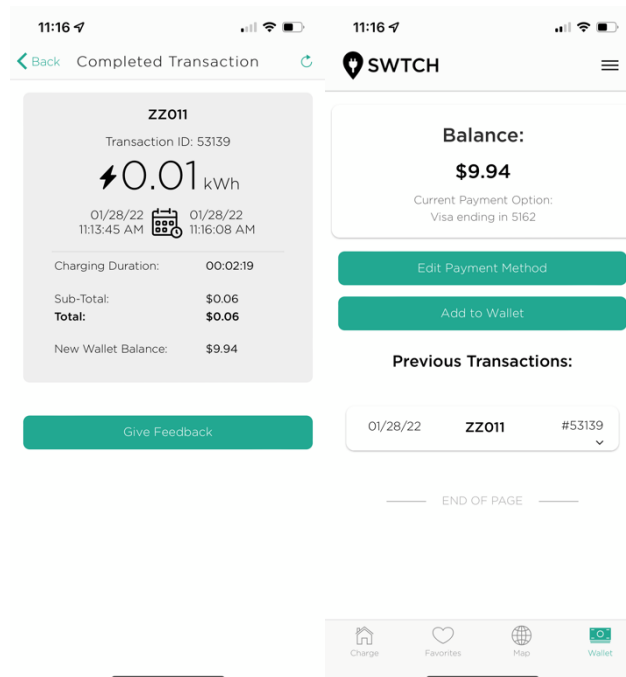

- Follow on-screen instructions by adding payment information.

- Once plugged in, press start charging. If loitering penalties apply, they will appear prior to charging.

- Unplug to end transaction.
- Once unplugged, you will get a receipt, and the transaction will be saved in your past transactions.

NOTE: For areas without internet access, plug in your vehicle first, then move to an area where you have internet to follow the process of starting the charger from the app.

- To request an RFID card, got to the “sandwich” menu and request a charge card, by entering your shipping details. You must have credit card information attached to your account prior to requesting one.
